

No. 0311

The Embassy of the United States of America presents its compliments to the Ministry of Foreign Affairs, Economic Development, International Trade, Investment and Commerce of the Federation of Saint Christopher and Nevis and has the honor to share information regarding malicious DPRK cyber activity and would like to provide Saint Christopher and Nevis with information on this threat so that governments can protect themselves against potential cyber operations. The DPRK poses a significant and growing cyber threat to the global financial sector, remains a cyber espionage threat, and retains the ability to conduct destructive cyber operations — all of which threaten cybersecurity, economic security, and national security.

DIPLOMATIC NOTE

- 2 -

No country is immune to DPRK cyber threats that target infrastructure globally. The United States looks forward to working with the Government of Saint Christopher and Nevis on this important issue. Additional information is enclosed.

The Embassy of the United States of America avails itself of this opportunity to renew to the Ministry of Foreign Affairs, Economic Development, International Trade, Investment and Commerce of the Federation of Saint Christopher and Nevis the assurances of its highest consideration.
